Global Forum for Responsible Recruitment
Virtual event, 12-15 April 2021

Dear Sir,

Within the framework of the Fair Recruitment Initiative, I am pleased to invite your Government to nominate an expert to participate in the *Global Forum for Responsible Recruitment*, organized by the International Labour Organization (ILO), the International Organization for Migration (IOM) and the Institute for Human Rights and Business (IHRB). The Forum will be virtual and will be held from 12 to 15 April 2021.

The convening of the Global Forum will be an opportunity for:

- **Thought leadership:** Taking stock and nurturing ideas to achieve better recruitment regulation and practices and eradicate worker-paid recruitment fees
- **Convening:** A global marketplace that inspires and enables uptake of improved recruitment commitments, practices, and outcomes by the diversity of actors involved
- **Networking:** Connecting diverse organizations and their networks to accelerate progress around our collective mission
- **Shared learning:** Amplifying expertise to scale uptake and empower all to shape a sustainable recruitment industry

You can register for the Forum and find the full programme of events at the following website: bit.ly/ILO-GFRR

The event registration will be open and circulated widely among ILO, IOM and IHRB constituents. However, in line with nominations from the ILO Governing Body, the ILO would **kindly encourage your Government to nominate representatives to the event** to make sure that the interesting perspective and experience of your country in the area of recruitment is well reflected and contributes to shared learning and solution-oriented discussions. Please feel

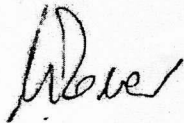

free to share among other interested parties within your Government.

Please register to this link: bit.ly/ILO-GFRR and kindly share with us the names of the members of your delegation at the following email fairrecruitmentinitiative@ilo.org, who will be able to provide any further assistance that you may need.

Kindly note that interpretation services will be provided for selected sessions of the Forum in English, French, Spanish and Arabic, as specified on the Agenda on the Forum website.

I look forward to hearing from you at your earliest convenience.

Yours faithfully,
